

# AIR CURTAIN MVP-S 999

## New system for refrigerated **lorries**

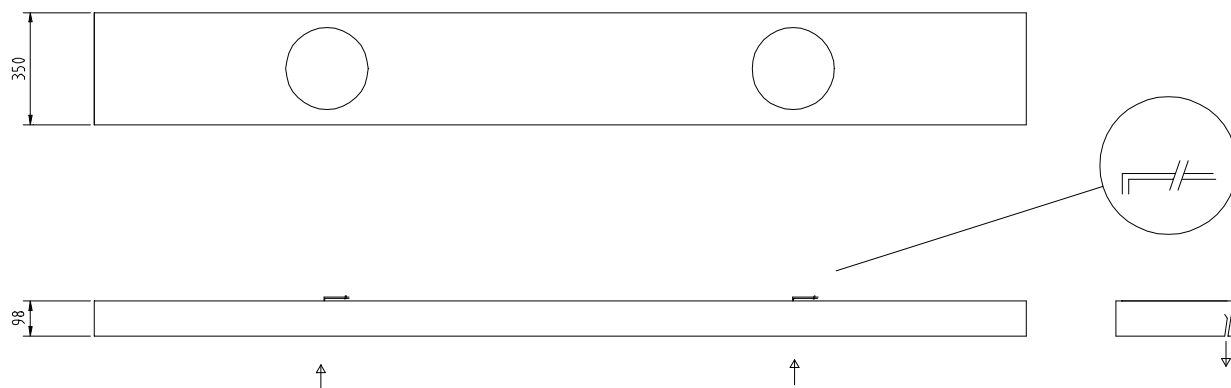

Extra high efficiency is needed for an air curtain to work in a refrigerated lorry.

Legislations and demands for an "Unbroken Cold Chain" is the basis for a Masterveil Air Curtain system in refrigerated lorries.

### THE ADVANTAGES OF Masterveil Air curtain in a refrigerated lorry:

- Maintain Temperature in the container more effectively which leads to better quality of products
- Total automatic system without obstacles for the loading or Un-loading of products
- Simply and safe working system that has no on-going maintenance
