

# Wind Screen **DANTE & GRAZIA**

The new Saxun Wind Screens have the personality that every project needs. Dante & Grazia offer the most natural protection, which moves with the Sun.

Solar protection systems specially designed for outdoor installation, with a contemporary design that makes them the perfect solution for creating new environments and making the most of open spaces.

## Square box and **curved** box

Dante & Grazia screens offer an elegant solution specially designed to obtain a high-quality result. They improve comfort and privacy at the same time as creating spaces that are more sheltered.

### Wind Screen **Dante**

**Dante**, with its square box, elegant and current, is an ideal system for installation in masonry shafts or in Saxun bioclimatic pergolas.

### Wind Screen **Grazia**

**Grazia**, with its curved box, can be installed into spaces with a more organic design.
